

ALABAMA DEPARTMENT OF TRANSPORTATION
PROCEDURE FOR EVALUATION AND MAINTENANCE OF

LIST III-5

PATCHING MATERIALS FOR BITUMINOUS CONCRETE PAVEMENT

- | | | | |
|-----|---|------|---|
| 1. | Material: Patching materials for Bituminous concrete pavement. | 7.3 | Promptly report to the Department any changes in company name, product name, company address or company ownership. |
| 2. | Specification: None | 7.4 | Notify the Department of any changes in production of the product. Any alteration that will change the product physically will require a reevaluation of the product. |
| 3. | Jurisdiction: Product Evaluation Board, Product Evaluation Engineer | 7.5 | Promptly report to the Department any changes to the manufacturer's Build America, Buy America (BABA) compliant status. |
| 4. | Job Acceptance Requirements: The Department does not allow the use of this material on new construction without prior approval from the Construction Bureau. Primarily used for maintenance. No job control samples necessary if the product works satisfactorily. | 8. | Laboratory Testing: None |
| 5. | Project Engineer's Responsibility: Check and assure that the materials are on the approved list. The project engineer must determine if the product is approved for the crossing on the project. | 9. | Contractors' Requirements: The prime contractor will be responsible for purchasing and using only approved products. |
| 5.1 | Verify that the shelf life of the material has not been exceeded and that the material is in good condition. | 10. | Removal of Products: Products may be removed from this list for any of the following: |
| 5.2 | Verify that the material is blended in the correct proportions and mixed to a consistent blend. | 10.1 | Mislabeling products or substitution of products other than those originally submitted. |
| 5.3 | Prohibit the use of material that has exceeded its pot life. | 10.2 | Failure to meet any of the Department's requirements for this type of material. |
| 6. | Producer's Initial Requirements:
Companies wishing to have products evaluated for placement on this list should furnish the Department's Product Evaluation Engineer with the following: | 10.3 | Failure to work satisfactorily on the job. |
| 6.1 | Name and address of the company producing the product | 10.4 | A change that will affect the manufacturer's BABA status requirement(s) will result in either (1) the product being removed from the approval list or (2) will remain on the approval list and will be labeled as non-compliant and can be used on non-federal funded projects. |
| 6.2 | Standard material safety data sheet | 11. | Correspondence: All correspondence concerning this list should be directed to the following:
Product Evaluation Board
Alabama Department of Transportation
3704 Fairground Road
Montgomery, AL 36110 |
| 6.3 | Sufficient materials to complete a field test installation of material | | |
| 6.4 | A product data sheet describing mixing and application instructions | | |
| 6.5 | Submittal and testing fees according to Department procedure ALDOT-355 | | |
| 7. | Producer's Maintenance Requirements:
Companies with products on this list will be expected to comply with the following to stay on the list: | | |
| 7.1 | Produce the same quality of material as the material supplied for the original evaluation. | | |
| 7.2 | Provide only approved products to Department projects. | | |
