

Product/Source Producer Information Form & AASHTO Domestic Materials Self-Certification (DMSC) Form Instructions

INSTRUCTIONS: Review **2 CFR part 184** at <https://www.federalregister.gov/documents/2023/08/23/2023-17724/guidance-for-grants-and-agreements>

Please submit the forms to confirm that your product complies with the Buy America Preferences for Infrastructure Projects, 2 CFR part 184. This information will be used by The Alabama Department of Transportation (ALDOT) to determine the product's federal funding eligibility. This document will become a permanent part of the product approval records and is subject to product change and re-qualification requirements in accordance with the current ALDOT Standard Specifications for Highway Construction Book.

All products will remain on the Materials, Sources, and Devices with Special Acceptance Requirements (MSDSAR) Lists with the appropriate federal funding eligibility designation identified. Products that meet the federal definitions for domestic compliance for products and materials will be eligible for use on federally funded projects. Products that do not meet the federal definitions for domestic compliance, and products that do not supply the product information, will be categorized as not eligible for federal funding until the necessary domestic compliance documentation is received.

The completed the ALDOT Product/Source Producer Information Form and the AASHTO Product Domestic Self-Certification (DMSC) Form should be included with the New Product Evaluation Form and New Source Evaluation Form submissions to the Product Evaluation Board.

Note: If the product or source producer's BABA compliance status has change, please complete a new form for the product/source and email to: ALDOTBABACOC@dot.state.al.us.

Use the following descriptors to complete the form. Failure to complete the form in its entirety will be denied and not eligible for use on federal funded projects.

- **Section 1 – Product Name:** The name of the product as it appears on the ALDOT [MSDSAR list](#). If the product is not currently an ALDOT approved products list, then use the product name as it appears on the product packaging. **Include the product Model Number. If there is no associated model number enter 'N/A'.**
- **Section 2 – PEB No.:** The ALDOT Product Evaluation Board (PEB) number assigned to the product. The number may be found on the approval letter from ALDOT. If unknown, please contact the Product Evaluation Engineer, Mr. Earnest Colvin at (334)353.6940. If the product is not currently an ALDOT approved product, manually enter '0000'.
- **Section 3 – Company/Manufacturer Name:** The company/manufacturer name as it appears on the [MSDSAR list](#). If the product is not currently an ALDOT approved product, use the company name as it appears on the product packaging.
- **Section 4 – Mailing Address:** The mailing address for communication regarding products and materials. **A P.O. Box is acceptable. Ex: Street number, address, city, state, zip code**
- **Section 5 – Physical Address:** The physical address is where the product's production facility is located. If it is the same as the Mailing Address, you can enter 'Same as Mailing Address'.
- **Section 6 – Manufacturing Facilities:** Answer the questions accordingly.
- **Section 7 – AASHTO Domestic Materials Self-Certification (DMSC) Form:** Please complete and submit the AASHTO Domestic Materials Self-Certification Form.

For more information, please contact the Product Evaluation Engineer by email at ALDOTPEB@dot.state.al.us or (334) 353.6940.

ALDOT Product Evaluation

Product/Source Producer Information Form

1. PRODUCT NAME: _____ Model No. _____

2. PEB No. (if known): _____ MSDSAR List _____

Company Information, if different from information shown MSDSAR List

3. Company / Manufacturer Name: _____

4. Mailing Address: _____
